Application for Accreditation for Transcatheter Mitral Valve Repair (TMVr)

TMVr PRACTITIONER

Application for the credentialling of individual operators to perform TMVr and access MBS rebates for TMVr when the MitraClip™ implant is utilised:

- Item 38461 - degenerative (primary) moderate-severe mitral valve regurgitation deemed to be at high risk for surgical mitral valve replacement; or
- Item 38463 - functional (secondary) moderate-severe mitral valve regurgitation deemed to be at high risk for surgical mitral valve replacement.

Applications for accreditation are assessed by the Transcatheter Mitral Valve Therapies (TMVT) Accreditation Committee, a committee of Cardiac Accreditation Services Ltd. The Committee comprises cardiologists and cardiothoracic surgeons as representatives of the Cardiac Society of Australia and New Zealand (CSANZ) and the Australian and New Zealand Society of Cardiac and Thoracic Surgeons (ANZSCTS).

Applicants need to be accredited for each site at which the TMVr procedure is performed. Applicants need to ensure that each site meets required institutional criteria.

The application fee for accreditation for TMVr: \$850 (inc GST)

Applicants are advised to submit applications only after careful consideration of the requirements. Applications that fail to satisfy the requirements will not be refunded and will be subject to a resubmission fee of \$200 (inc GST).

Please note that applications will not be processed until payment is received.
